

SEMESTER WORK & STUDY PROGRAM

SEVILLE, SPAIN

PROGRAM OVERVIEW

GlobalEd's Work and Study in Seville, Spain Program offers you the opportunity to enroll in one of three universities in Seville to take transferable courses towards your university degree in English or Spanish, live with locals or international students, participate in weekly activities and excursions AND build marketable skills in a field related to your academic discipline and career interests. This program is packed with so focus, that it will definitely be a conversation piece in your interviews for years to come.

INTERNSHIP PLACEMENT

GlobalEd simplifies internship hunting. Upon program acceptance, we conduct a detailed interview to understand your skills and career aspirations. Drawing from over two decades of experience, we offer guidance by presenting past internship opportunities. Following the interview, we create a student profile and market it to local companies. Once a company expresses interest, we provide an internship offer. If accepted, the internship is secured immediately; if declined, feedback is sought to enhance the student profile. Promotion persists until an accepted offer is secured.
