

4 WEEK 2+2 EMT(PHTLS CERTIFICATION) + HOSPITAL ROTATIONS PROGRAM

SUMMER 2025 - SEVILLE, SPAIN

PROGRAM OVERVIEW

Few programs will compare to the deliverables of this medical internship and emergency training opportunity. As a pre-med program participant, you will spend four weeks this summer acquiring a tremendous amount of hands-on experience at our EMT bootcamp (80 hours) and by working in a local hospital or private practice (40 hours) for a total of 120 hours, while increasing your Spanish language competency.

PHTLS CERTIFICATION

Our immersive two-week course, taught entirely in English, equips pre-med students with essential emergency care skills and provides the opportunity to earn a Pre-Hospital Trauma Life Support (PHTLS) certificate accredited by the National Association of Emergency Medical Technicians (NAEMT).

HOSPITAL ROTATIONS

Participants will gain experience in a local hospital or private practice setting. Shadowing different specialties such as cardiology, emergency medicine, OBGYN, pediatrics, family medicine, radiology, etc.
