

2-WEEK EMT(PHTLS CERTIFICATION) PROGRAM

SUMMER 2025 - SEVILLE, SPAIN

PROGRAM OVERVIEW

Learn how to save lives, enhance your med school application, and enjoy an unforgettable experience abroad with GlobalEd's Emergency Medical Training Program in Seville, Spain. This two-week, immersive course, conducted in English, is ideal for pre-med students aiming for a career in healthcare. We offer hands-on training in emergency care, including a Pre-Hospital Trauma Life Support (PHTLS) certificate accredited by the National Association of Emergency Medical Technicians (NAEMT). Live with a Spanish family, savor authentic cuisine, and immerse yourself in the local culture. Training runs Monday to Thursday, leaving long weekends for travel. This program is more than medical training; it's a journey of cultural discovery and personal growth that will make your med school application stand out.
