GET TO KNOW ROSA!

Rosa, a former chef, shares her passion for Spanish cuisine with students in her Triana home. Semi-retired, she enjoys exploring Seville's culture and teaching classic Andalusian dishes. Her home, a hub of cultural exchange, also welcomes Luna, her friendly cat, offering an authentic Seville experience.

NEIGHBORHOOD: TRIANA

Triana is one of Seville's most popular neighborhoods located on the other side of the Guadalquivir River, next to Los Remedios. It's very traditional, with a history rich in flamenco culture and bullfighters. Many students prefer living in this area of the city as they are close to almost everything and well-connected to both universities and the center.
