OBJECTIVES STATEMENT

Please fill out the following objectives statement to help us understand your personal, academic and professional goals and expectations of GlobalEd related to your study abroad experience.

Objectives Statement

Please describe your short term goals outlining what you would specifically like to achieve while abroad. Such goals could include reaching a conversational level of the local language, taking courses that can’t be taken at your home school, meeting locals and getting to know the local culture, working in a local business setting, to learn more about a particular sector, to receive some career guidance, etc...

Please describe some of your longer term goals outlining what you would hope this experience will contribute to your future development, either on a personal, academic or professional level. Such goals could include gaining a greater level of self-confidence, building your resume, increasing your knowledge of the world, creating the foundation for an international career.
CODE OF CONDUCT STATEMENT

Code of Conduct

Students are expected to act responsibly at all times and must understand that their behavior and actions must adhere to local laws while abiding by GlobalEd’s Professional Code of Conduct. Above all, respect for others and personal safety is our priority. This includes respecting other students, locals, university representatives, GlobalEd staff and partners/collaborators, adhering to housing norms, our drug and alcohol policy, respecting property and displaying appropriate behavior at all times.

CULTURAL SENSITIVITY
All program participants must understand that they are guests in the host country and should exercise sensitivity to the cultural differences of others. As an international student, exposure to cultural values, opinions and attitudes that differ from their own is to be expected as this is part of the study abroad experience. Successful interaction with the local culture involves observation, asking questions, participating and avoiding confrontations or subjects sensitive to the local culture. More information will be given on the local culture during our orientation sessions; however, the student should consult with GlobalEd staff for further questions.

HOUSING
Program Participants receiving GlobalEd Housing must comply with the guidelines and rules established in the Housing Contract which will be handed out and signed during orientation. Students are expected to be respectful of their roommates and neighbors at all times. Behavior which interferes with the experience of others (students, neighbors) or results in potential danger to oneself or others, or the destruction of property, will not be tolerated and may result in losing the housing assignment or even program dismissal without possibility of refund. Students seeking independent housing should sign the Independent Housing Statement and must understand that they will be financially and legally responsible for the terms and conditions of their housing contract.

DRUG AND ALCOHOL ABUSE
GlobalEd does not promote the consumption of illegal drugs nor condone alcohol abuse in any of its programs, events or facilities. The purchase, sale, use or possession of illegal drugs is strictly forbidden. “Alcohol abuse” results from excessive consumption of alcohol and/or inappropriate behavior related to the consumption of alcohol which threatens the safety or well-being of oneself or others. While abroad, a participant of legal age to consume alcohol is expected to act responsibly. Destructive or disruptive behavior related to alcohol consumption will not be tolerated. Any violation of this policy is considered serious and may result in dismissal from the program.

ATTENDANCE AND PUNCTUALITY
Attendance and punctuality are expected of students for course, internships and mandatory activities.
Courses — Courses, whether offered by a local university or with GlobalEd, require both regular attendance and punctuality.
Internships — Students must comply with both the Internship sponsor’s norms (company) as well as those of GlobalEd. Students are expected to design and abide by a work schedule with their internship tutor. Failure to attend work without proper notification and sponsor approval or repeated lack of punctuality may result in a negative evaluation on behalf of the company, a reduced or failing grade, or even dismissal from the program.
Mandatory Activities — Students are required to attend all mandatory events, such as orientation. For optional activities we request that students confirm their participation and be punctual for these events, as tardiness interferes with the experience of others.

CONFIDENTIALITY
Internship Program participants must understand that they will be treated as an employee and may be exposed to sensitive and/or propriety data (i.e. financial, strategic, product-related, or competitive information). To abuse these privileges or engage in any unethical or illegal activity with such information will subject the student to the laws of the host country, threaten the relationship between GlobalEd and the sponsoring company and may result in immediate termination of the internship, a failing grade and loss of post program career services support.

APPLICATION FEE PAYMENT INSTRUCTIONS

Application Fee

A $100 application fee is charged to every student applying for a GlobalEd study abroad, language and internship program. Application fees cover administrative costs associated with processing applications. This fee is non-refundable and is separate from the cost of the program fee. The application fee is only refunded if you are not accepted for participation or if the program you apply for is canceled.

Late Fees

GlobalEd Abroad is committed to making the application and pre-departure study abroad process as easy and efficient as possible. To do so, we need the cooperation of our program participants. Failure to meet deadlines interferes with our scheduled processing of applications, requesting of admissions letters, onsite housing procurement, transportation and other tasks related to program operations.

Students are charged a $50 late fee if they apply to a program after its scheduled application deadline, unless otherwise stated. This late fee is in addition to the application fee and is nonrefundable.
